

## 如何找到拍卖术语词汇表

第一步：登录我们的全球网站www.Go-Dove.com

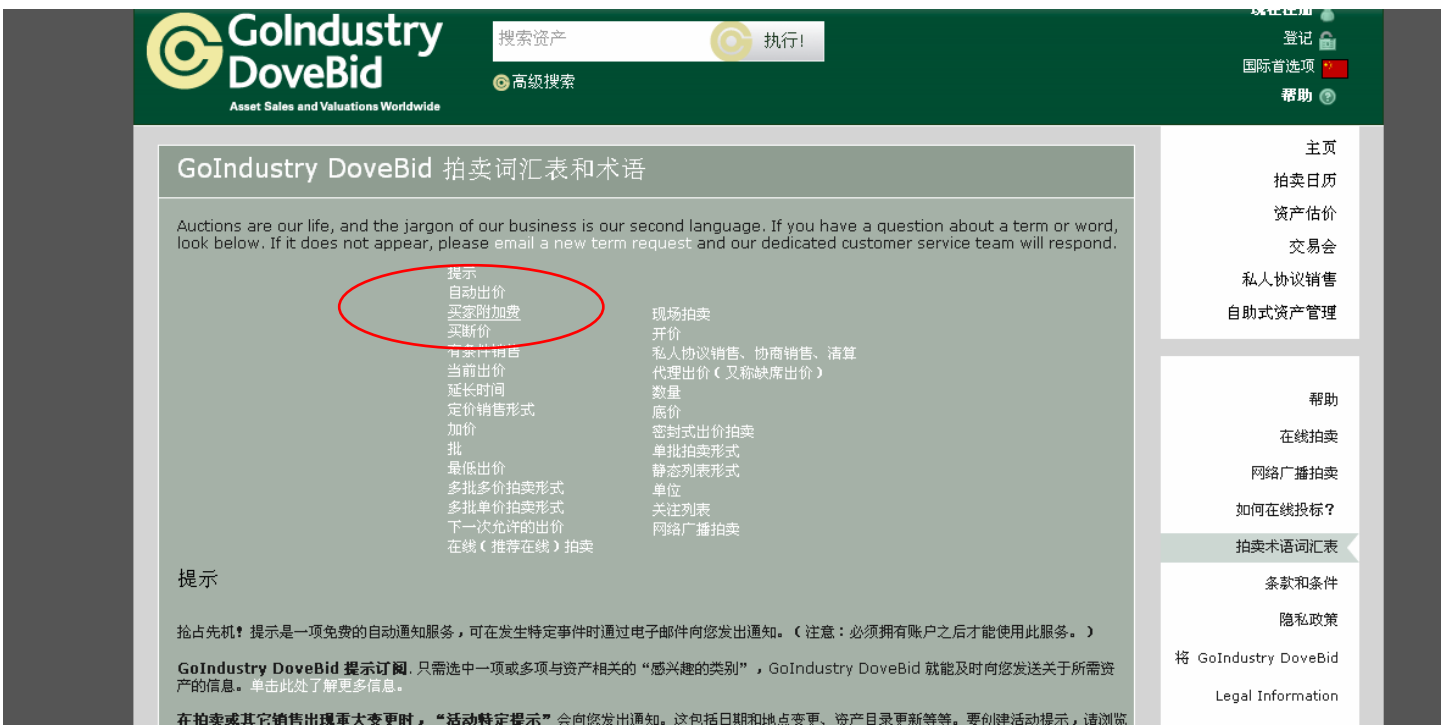

第二步：点击网页右上角的“帮助”。

第三步：点击网页右侧的“拍卖术语词汇表”。

第四步：在网页列出的拍卖术语词汇中选择您想了解的词汇，点击之后您便能看到对该词汇的解释。

Example: Let's say the current bid on an item is 6,750, the applicable bid increment is 250, and you'd be willing to pay up to 10,000 to acquire that item. AutoBid will place the bid for 7,000 so that you are the current high bidder and will bid on your behalf up to the 10,000 amount you have designated. If another bidder bids 7,250 and you are no longer the high bidder, AutoBid will automatically bid 7,500 for you, and will continue to bid on your behalf if necessary up to the 10,000 maximum bid you have designated. If 7,500 is ultimately the high bid, you will have acquired the item for that amount and will have saved 2,500. (Bidding requires an account.)

### 买家附加费

An additional service charge, for which the buyer is responsible, may be added to the price of assets. If so, this will be indicated in the Notice to Purchasers, auction description, asset detail page, or other clearly- marked area.

See GoIndustry DoveBid's Terms & Conditions for more details.

### 买断价

由卖主指定的价格一经支付，则会立即出售物品并结束拍卖。买断价是列出资产时的一种可选功能，如果物品的“资产详情”页上未提及此价，则表示卖主未使用此功能。买断使买家有机会耐心等待，直至拍卖结束时才出手购买。

Buyouts also enable Sellers to create fixed price sales, just like a traditional ecommerce store. Just make the Opening and Buyout prices the same, and the first bid will be the winning bid.

### 有条件销售

卖家有时要求在最终卖出其资产前对所有中标出价进行评估。在拍卖结束时，GoIndustry DoveBid 将给卖家发送一份中标出价清单，供其复核。一旦卖家接受出价，买家将通过电子邮件收到最终发票。此过程最长可能需要 72 小时。

### 当前出价

The present high bid. To become the current high bidder, you must advance the bidding by the next Bid Increment. Current Bid + Bid Increment = Next Allowable Bid.

最长时
